Participate in guided collaborative tasks, transactions and games, taking turns, exchanging and negotiating, using simple language

Respond to teacher talk and instruction

Understanding

Generate language for a range of purposes in simple spoken and written texts by noticing and using context-related vocabulary and some first elements of the Hindi grammatical system, including:

- using words to ask questions; for example, कौन आया है?; तुम कहाँ रहते हो?; पंकज भैया कब आएंगे?; दादी स्कूल कैसे जाती है?
- observing the relationship between gender and verb endings; for example, लड़का लिखता है।; लड़की लिखती है।; हम लिखते हैं।
- using singular and plural masculine and feminine forms of nouns; for example, घोड़ा; घोड़ी; घोड़े; घोड़ियाँ; लीची; लीचीयाँ
- beginning to describe quantity using cardinal numbers; for example, तीन कुर्सियाँ; बीस पेड़
- locating events in time by using the days of the week
- developing number knowledge for 21 to 30.

Task preparation

Prior learning

Students have prior knowledge of and exposure to:

- a range of simple imaginative texts
- vocabulary related to the context, such as भूख, भूखी, खाया, सेब
- elements of grammar, including singular and plural forms of nouns; masculine and feminine forms of nouns; simple sentence structure; and suitable words for asking questions
- the textual conventions of a story.

Assessment differentiation

Teachers should differentiate their teaching and assessment to meet the specific learning needs of their students, based on their level of readiness to learn and their need to be challenged.

Where appropriate, teachers may either scaffold or extend the scope of the assessment tasks.

Assessment task

Assessment conditions

Task is to be completed by students working individually.

Resources

- Task sheets
- Copy of the storybook
- Poster of useful phrases/phrases displayed on board
- Recording device

Instructions for teacher

Prior to administering the task, the students will need to be:

- provided with opportunities to listen to, view and read the storybook **भुक्खड इल्ली** (*The Hungry Caterpillar*) and other texts related to days of the week and food
- familiar with context-related vocabulary, including words related to food
- taught some first elements of grammar, including the use of:
 - simple sentence structures; for example, आज तुम जलेबी खाओ।; कल मैं लड्डू खाऊँगा।
 - the present tense
 - numbers
 - days of the week
- exposed to the textual conventions of a story and key words and phrases in Hindi, such as एक बार, उसके बाद

Activities to scaffold the task

Provide opportunities for students to engage in language practice and writing activities to help them internalise the language and skills they need for this task, such as:

- playing Rally Race: in pairs, students alternate describing different fruits with words relating to colour, size and texture
- playing Guess What with a cloth bag containing different fruits. Students take turns feeling each fruit in the bag and naming it without seeing it
- drawing what they do on different days of the week (PE, Art, Science etc.) and sharing it with the class, using Hindi names for the days of the week.

Task

Part A: एक भूखी इल्ली

Prior to the task, read to the students the storybook **भुक्खड इल्ली** (*The Hungry Caterpillar*), and have them collaboratively retell the story.

Provide students with the task sheet for Part A and ask them to write the number and name of the fruit the caterpillar ate, as well as drawing the number of fruits eaten, to complete each frame.

Tell the students that they may choose the fruit from the list provided.

Part B: तुम क्या खाते हो?

Having listened to and viewed the story of **भुक्खड इल्ली**, students re-create the imaginative text by writing and illustrating their own story.

Students are to sort the jumbled images, days of the week and phrases to reveal what they eat each day.

They construct seven sentences from the list of phrases they are given. Each sentence includes the day of the week, the food the student eats and how many pieces of this food they eat.

Provide students with the Task sheet, a pair of scissors, a glue stick and a blank piece of paper on which to place the sorted images and sentences.

Students listen as the teacher reads them their story.

Task administration script

Teacher reads aloud:

1. सोमवार को मैं एक आड़ू खाती हूँ। (Pause for 3 minutes before reading the next sentence.)
2. मंगलवार को मैं दो अनानास खाती हूँ। (Pause for 3 minutes before reading the next sentence.)

Allow the students approximately 25 minutes to complete this part of the task.

Students then practise reading their story to a classmate before presenting the story to the class.

Part C: आप क्या खाते हैं?

Students take turns to stand in front of the class and read aloud their story.

The teacher then asks them four questions related to their story:

1. आप सोमवार को क्या खाते हैं?
