The 'ways of teaching' have been developed across the years of previous years.

The 'ways of teaching' are outlined in the *Western Australian Curriculum Framework for Languages* (<http://k10outline.s>) and class environment learning. The principles of practice.

The Languages learning outcomes are presented in the Language, French: Second Language, Learning and Understanding. The target language to be used in students analysing interpreting and sharing.

Through learning a second language the understanding of their language use.

Languages

In Languages students develop their understanding of Socialising, Informal and Formal communication and develop their understanding of their language use.
