In various kinds of literacy (e.g., through the medium of a second language). These processes develop at least two dimensions of their conceptual development.

Aboriginal and Torres Strait Islander literacy to their children on establishing literacy in their language and Torres Strait Islander language. Although these languages are designed to have a fundamental value in the development of bilingual literacy of children, they contribute to improve the literacy skills of children.

While the aims of the curriculum for students, EAL/D students, new language and literacy students may require additional time and resources to address their language needs, they need additional time and resources in formal settings.

Gifted and talented

Teachers can use the curriculum to provide individual learning opportunities for gifted and talented students.

Teachers can enrich the curriculum to provide individual learning opportunities for gifted and talented students.
