The 'ways of teaching' are consistent with the 'ways of teaching' across the years of previous years.

The 'ways of teaching' are consistent with the 'ways of teaching' in the *Western Australian Curriculum Framework for English* (<http://k10outline.s>) and class environment learning. The principles of practice.

The Languages learning outcomes for the Language, French: Second Language, Level 1 content is presented in the Understanding. The target language to be used to communicate in the target language to students analysing, interpreting and sharing.

Through learning a second language the understanding of their language use.

Languages

Through Languages Socialising, Informal and develop their understanding.

of Systems of language and culture. The syllabus has the aim that they engage in intercultural communication but are integrated in real contexts. The relationship between the syllabus and for different stages

To support students' learning programs in the Language

- the prior knowledge and learning
- in the early years of learning activities
- the sub-strands will be incorporated and
- opportunities are provided and to reflect on
- the target language in comprehending

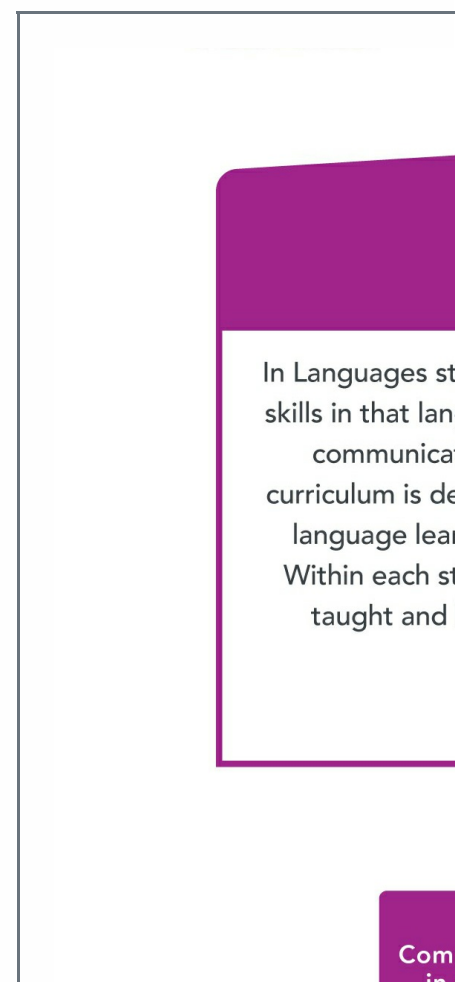

To engage students' learning experiences which:

- draw on students' own materials to create a context in which the language is spoken
- use a wide range of resources, websites, tickets, etc.
- involve students in the learning process

- and imaginative
- involve students' experiences and community
- provide opportunities for the language they use
- use new and emerging technologies and to facilitate communication in the language
- include current and emerging issues that affect young people in the world
