## Year 4 Syllabus

The syllabus is based on the requirement that all students will study at least two of the five Arts subjects from Pre-primary to Year 8. It is a requirement that students study a performance subject and a visual subject.

### Year Level Description

In Year 4, students extend their understanding of role and situation, as they continue to explore ideas through improvisation.

Students continue to explore the [elements of drama](#) and selected drama forms and styles to communicate ideas using role, situation, space, character and time. They are introduced to relationships and how relationships influence character development.

Students experience drama as performers and audience members. They continue to use rehearsal processes to enhance audience engagement and shape the drama for an audience.

As they make and respond to drama, students explore dramatic narratives and reflect on the meaning and purpose of their drama and the drama of others. They reflect on, and respond to, the ideas in drama from different cultures.

## Achievement standard

At Standard, students explore, through improvisation, dramatic action to present drama to an audience. They use voice, movement and role to create drama in devised or improvised drama to create dramatic narratives.

Students use rehearsal processes in different groups to explore transitions and address audience engagement. They demonstrate focus and control to engage an audience in drama.

Students identify and reflect on the meaning and purpose of their own drama and the drama of others. They identify ideas in drama from different cultures. Students use some drama terminology.

The syllabus is based on the requirement that all students will study at least

two of the five Arts subjects from Pre-primary to Year 8. It is a requirement that students study a performance subject and a visual subject.
