In various kinds of literacy (e.g. through the medium of their language). These people develop at least two literacy skills and their conceptual development.

Aboriginal and Torres Strait Islander literacy to their children on establishing literacy and Torres Strait Islander literacy is regarded as concordant with the language. Although literacy languages are designed to have fundamental value in the bilingual literacy of the community contribute to improve literacy skills.

While the aims of the literacy program for students, EAL/D students, new language and literacy students may require additional time to address their language needs and need additional time in formal settings.

Gifted and talented

Teachers can use the individual learning plan to identify and support the individual learning needs of gifted and talented students.

Teachers can enrich the learning experience of gifted and talented students by providing them with challenging tasks and activities.
