◀ [Return to Languages](#)

The Western Australia curriculum is designed to ensure that all students are proficient in a language and have developed a communication skill that enables them to have a deep understanding of the world around them.

Language learning is a key component of the Australian Curriculum. The world presents a range of opportunities for students to learn about different cultures and languages. The Australian Curriculum has been designed to ensure that all students have the opportunity to learn about different cultures and languages. It has also been designed to ensure that all students have the opportunity to learn about different languages, a capability that is the foundation of the Australian Curriculum.

The Western Australia curriculum is designed to ensure that all students are proficient in a language and have developed a communication skill that enables them to have a deep understanding of the world around them. The Australian Curriculum has been designed to ensure that all students have the opportunity to learn about different cultures and languages. It has also been designed to ensure that all students have the opportunity to learn about different languages, a capability that is the foundation of the Australian Curriculum.

In the Western Australia curriculum, the subjects of Chinese, Indonesian, and Second Language are all designed to ensure that all students have the opportunity to learn about different cultures and languages. The Australian Curriculum has been designed to ensure that all students have the opportunity to learn about different languages, a capability that is the foundation of the Australian Curriculum.

- the study of an Australian language
- students who speak a language other than English as a first language, and who are studying a language other than English as a second language

- recently arrived r
substitute English
study of another
