students see the im  
skills; and apply the  
estimation and mea  
for example, nutriti  
analyse health and  
identifying patterns  
make predictions a

## Information capability

The Western Austr  
learning by helping  
physical activity inf  
wellbeing. Students  
lives and relationsh  
and the implication  
Students develop a  
and practices for us  
tools for communic  
information and an

## Critical and c

The Western Austr  
students' ability to  
Health and Physica  
critically evaluate e  
associated media n

and possibilities. In thinking skills are developed through posing questions and strategies to promote wellbeing. Students are positively influenced by their peers.

## **Personal and Social Competence**

The Western Australian Curriculum Framework for Personal and Social Competence is a contributor to the development of students' personal and social competence. Working collaboratively in group activities develops their own strengths and weaknesses, interpersonal skills, and an appreciation of diversity.

The curriculum provides opportunities for students to explore and develop an understanding of their own emotions and the emotions of others. They learn how to regulate their own emotions and the emotions of others.

## **Ethical Understanding**

The Western Australian Curriculum Framework for Ethical Understanding is a contributor to the development of students' ethical understanding. The importance of treating others with respect and respecting diversity is emphasized.

Students examine ethical issues in various contexts, such as a sporting field, in the workplace, and in the community.

as social media. As equitable participat make ethical decisi develop the capacit based contexts.

## Intercultura

The Western Austr opportunities for st personal, family an group and intergrou learn to appreciate people make food a activities.

Students recognise based on cultural d group integrity and representations of issues and concept so, students gain a perspectives and in terms of health and institutions, and wit
