◀ [Return to Languages](#)

The Western Australia curriculum is designed to ensure that all students are proficient in a language and have the communication skills to understand and appreciate the diversity of the world.

Language learning is a key component of the curriculum, and the curriculum provides a range of opportunities for students to develop their language skills. The curriculum is designed to be accessible to all students, regardless of their background or ability. The curriculum also provides a range of opportunities for students to develop their cultural understanding and appreciation of the world.

The Western Australia curriculum is designed to ensure that all students are proficient in a language and have the communication skills to understand and appreciate the diversity of the world. The curriculum is designed to be accessible to all students, regardless of their background or ability. The curriculum also provides a range of opportunities for students to develop their cultural understanding and appreciation of the world.

In the Western Australia curriculum, the subjects of Chinese, Indonesian, and Second Language are taught. The curriculum is designed to be accessible to all students, regardless of their background or ability. The curriculum also provides a range of opportunities for students to develop their cultural understanding and appreciation of the world.
