◀ [Return to Languages](#)

The Western Australia curriculum is designed to ensure that all students are proficient in a language and have the communication skills to understand and appreciate the world around them.

Language learning is a key component of the curriculum, and the Western Australia curriculum provides a framework for the teaching and learning of languages. The curriculum is designed to ensure that all students have the opportunity to learn a language, and that they are able to communicate effectively in a range of contexts. The curriculum also provides a framework for the teaching and learning of languages, and ensures that all students have the opportunity to learn a language, and that they are able to communicate effectively in a range of contexts.

The Western Australia curriculum is designed to ensure that all students are proficient in a language and have the communication skills to understand and appreciate the world around them. The curriculum is designed to ensure that all students have the opportunity to learn a language, and that they are able to communicate effectively in a range of contexts. The curriculum also provides a framework for the teaching and learning of languages, and ensures that all students have the opportunity to learn a language, and that they are able to communicate effectively in a range of contexts.

In the Western Australia curriculum, the subjects of Chinese, Indonesian, and Second Language are taught. The curriculum is designed to ensure that all students have the opportunity to learn a language, and that they are able to communicate effectively in a range of contexts. The curriculum also provides a framework for the teaching and learning of languages, and ensures that all students have the opportunity to learn a language, and that they are able to communicate effectively in a range of contexts.

- the study of an Australian language
- students who speak a language other than English as a first language, and who are learning English as a second language
