◀ Return to The Arts

The 'ways of teaching' have evolved across the years of previous years.

The 'ways of teaching' in *Western Australian* (<http://k10outline.s>) and class environment learning. The principal practice.

Making and Responding with knowledge, understanding and members and develop make in the Arts, through others; as students acquired through the

Teachers have the opportunity to plan teaching practice rich opportunities to reflect. Responding

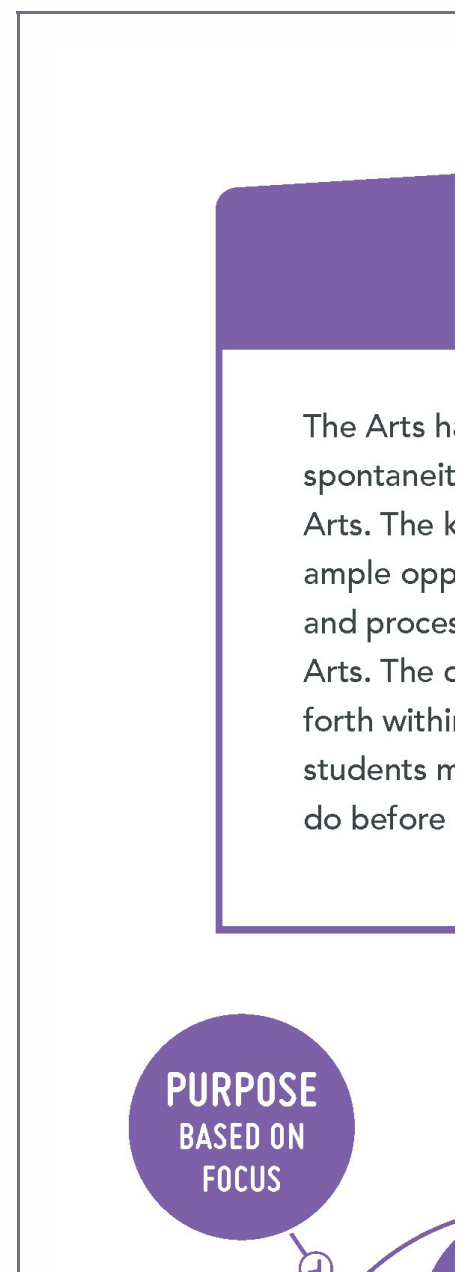

To engage students which:

- use all aspects of relational to make
- develop skills in s
- enable students to accommodate th

- encourage students to explore
- foster participation
- provide opportunities for creative learning
- explore significant cultures to develop

Many aspects of the opportunities through introduced knowledge creative learning process
