Aboriginal and cultures

In the Western Australia histories and culture Australia. Exploring cultures provides a history as well as for study of Aboriginal responding should be culturally sensitive communities.

Asia and Australia

In the Western Australia diverse spectrum of population located exploration of parts Japan, for example, histories of our nation The study of the Arts partnerships with re

Sustainability

In the Western Australian Curriculum Framework for the Arts, students engage in creative thinking, problem making and responding to the world around them.

The sustainability of the curriculum is maintained and transformed through the relationships of people, places and things. The Arts, students connect with traditions in each other's lives to express and develop their identity within and between cultures.
