ABLEWA Stage A

Year Stage Description

The Stage A curriculum provides the knowledge, skills and attitudes for students to understand themselves and explore the world around them in a safe and healthy way.

Students develop the ability to work with others and solve problems.

Students learn through play and movement to develop fundamental movement skills and understand the importance of physical activity for health and well-being.

For Stage A, teachers should ensure that the curriculum reflects the physical and social context of the school and community, and that it is inclusive and accessible to all students.

- alcohol and other drugs (AOD)
- food and nutrition
- health benefits of physical activity
- mental health and wellbeing
- relationships and communication
- safety (S)
- active play and recreation
- challenge and adventure
- games and sport
- fundamental movement skills
