The Western Australia curriculum is designed to ensure that all students are proficiently in a language and communication skill, and have a deep understanding of the world around them.

In the Western Australia curriculum, students learn about subjects: Chinese: Second Language, Indonesian: Second Language, and Japanese: Second Language.

Language learning and communication skills are essential for employment opportunities in the global world presents. The curriculum of life have to be able to interact with different cultures. It has also been recognised that language, a capability, is the most important capability in the 21st century.

The Western Australia curriculum is designed to ensure that all students are proficiently in a language and communication skill, and have a deep understanding of the world around them. The curriculum is designed to ensure that all students are proficiently in a language and communication skill, and have a deep understanding of the world around them.
