Overview ABL TSIL Framework

Overview Auslan

The Western Australia curriculum is designed to ensure that all students are proficient in a language and have the communication skills to understand and engage with the world around them.

In the Western Australia curriculum, students learn about the subjects: Chinese: Second Language, Indonesian: Second Language, and Japanese: Second Language.

Language learning and employment opportunities in the global world presents. The curriculum of life have to be able to understand and engage with different cultures. It has also been recognised that language, a capability, is the foundation for all other capabilities.

The Western Australia curriculum is designed to ensure that all students are proficient in a language and have the communication skills to understand and engage with the world around them. The principle that for all students to be able to understand and engage with a rich, challenging and culturally diverse world, it is essential that students' intercultural understanding to explore and recognise their own and others' identities as well as the world around them.
