◀ [Return to Languages](#)

The Western Australia curriculum is designed to ensure that all students are proficient in a language and have the communication skills to understand and appreciate the world around them.

Language learning is a key component of the Australian Curriculum, and it is essential for students to develop the skills and knowledge to communicate effectively in a global context. The Australian Curriculum provides a framework for language learning, and it is essential for students to understand the importance of language in their lives and in the world around them. It has also been recognised that language is a key component of a person's identity, and it is essential for students to understand the importance of language in their lives and in the world around them.

The Western Australia curriculum is designed to ensure that all students are proficient in a language and have the communication skills to understand and appreciate the world around them. The Australian Curriculum provides a framework for language learning, and it is essential for students to understand the importance of language in their lives and in the world around them. It has also been recognised that language is a key component of a person's identity, and it is essential for students to understand the importance of language in their lives and in the world around them.

In the Western Australia curriculum, the subjects of Chinese, Indonesian, and Second Language are all designed to ensure that all students are proficient in a language and have the communication skills to understand and appreciate the world around them. The Australian Curriculum provides a framework for language learning, and it is essential for students to understand the importance of language in their lives and in the world around them. It has also been recognised that language is a key component of a person's identity, and it is essential for students to understand the importance of language in their lives and in the world around them.

- the study of an Australian language
- students who speak a language other than English as a first language, and whose first language is not English

further studies in
