The Western Australia curriculum is designed to ensure that all students are proficiently in a language and have developed a communication skill that enables them to have a deep understanding of the world around them.

Language learning is a key component of the Western Australia curriculum. The world presents a range of opportunities for language learning. The world of life have to be able to communicate with people from different cultures. It has also been recognised that language, a capability, is the most important capability in the 21st century.

The Western Australia curriculum is designed to ensure that all students are proficiently in a language and have developed a communication skill that enables them to have a deep understanding of the world around them. The Western Australia curriculum is designed to ensure that all students are proficiently in a language and have developed a communication skill that enables them to have a deep understanding of the world around them.

In the Western Australia curriculum, the subjects: Chinese: Second Language, Indonesian: Second Language, and Japanese: Second Language are designed to ensure that all students are proficiently in a language and have developed a communication skill that enables them to have a deep understanding of the world around them.

- the study of an Australian language and dialect, and whose purpose is to enable students to undertake further studies in the language
- students who speak a language other than English as their first language, and whose purpose is to enable students to undertake further studies in the language

- recently arrived r  
substitute English  
study of another
- schools may offe
