Students with

The Disability Discrimination Act 2005 require educational institutions to provide students with disabilities with the same opportunities as students without disabilities.

Many students with disabilities have commensurate with the way in which they learn their learning.

In some cases, curriculum opportunities for students with disabilities along the Pre-primary to Year 12 learning capabilities learning capability to adjust

Adjustments to the curriculum to ensure some students achieve on the same level as others. Adjustments to assessment to assess achievement and understanding.

English as an additional language

Students for whom English is a second language. Western Australian curriculum includes English as an additional language learning, and English as a second language. While most students have numeracy) skills in English, there are a number of students who are learning English, and have not yet reached the level of proficiency required for the curriculum.

While the aims of the curriculum are the same for all students, EAL/D students may require additional support to learn the new language and to understand the curriculum. EAL/D students may require additional support to learn the new language and to understand the curriculum. EAL/D students may require additional support to learn the new language and to understand the curriculum.

Gifted and talented

Teachers can use the curriculum to provide individual learning experiences for gifted and talented students.

Teachers can enrich the curriculum work with learning experiences for gifted and talented students.
